New to online video and audio chatting? Here are some links and helpful hints...Almost all video chat apps (webpage or software) offer a dial-in solution. You may have to download and install software. Here are a couple of links to tutorials for apps being used in this District so far. [zoom gotomeeting](#) you can just call in for **zoom** meeting using phone # 1-929-436-2866 or 1-646-558-8656. You will need ID and password. In the meeting to mute and un-mute yourself push *6. To raise your hand to be recognized push *9

Please do not share this list on any public venues. Passwords have been added to keep from getting (unwanted guests).
